This is a taint or infection of the human organism, and probably no one is wholly free from it. It exhibits itself in various shapes—as Ulcers and Sores, Decayed Bones, Diseased Scalp, Sore Eyes, Weak and Diseased Joints, St. Vitus' Dance, Foul Discharges from the Nostrils, Eruptions, Glandular Swellings, Throat Affections, Rheumatism, Heart Affections, Nervous Disorders, Barrenness, Disorders of the Womb, Dropsy, Syphilitic Affections, Liver Complaint, Salt Rheum, Dyspepsia, Neuralgia, Loss of Manhood and General Debility. It has been the custom to treat these diseases with Mercury and other Mineral substances, which, though sometimes producing a cure, often prove injurious and entails misery in after life. The long known injurious properties of these so-called alteratives and purifiers has led the philanthropical man of science to explore the arena of nature, the result of which has been the discovery of vegetable products which possess the power of eradicating these Taints from the Blood.
